DATABASE SUBMISSIONS

<https://www.radioreference.com/db/submit/>

Please take a minute to read the following regarding the submission of material to radioreference.com website. These guidelines are intended to not only facilitate the proper handling your information, but to do so in a manner that is easy for the administrators to enter into the database.

Any conventional radio system data used by the following entities:

Public safety agencies

Police

Fire

EMS

Emergency Management

Local government agencies

Security

Transportation carriers

Aircraft

Airports

Railroads (passenger, freight, and tourist based operations)

Public attractions

Amusement parks

Theme parks

Public parks

Business radio

Dedicated business land mobile radio services

Shopping malls

Do not send Fast Food, or common use channels (MURS, GMRS, etc.)

Continued on next page...

DATABASE SUBMISSIONS
